OTERO AND PRITCHARD HERE ON THURSDAY TO DISCUSS THE CAMPAIGN

Chairman Frank Butt, of the democratic organization, announced last night that definite arrangements had been completed for the visit to Albuquerque next Thursday, October 26, of former Governor M. A. Otero and G. W. Pritchard, formerly a prominent republican and progressive. Both men will speak here and it is expected they will be greeted by a large crowd. Governor Otero was in office during the days when Frank A. Hubbell was in power in Bernalillo county, and when H. O. Burman was superintendent of the penitentiary. Governor Otero is perhaps better in-

LEAGUE COLONY HAS CAPACITY OF SMALL HOSPITAL

Place Has Been Improved
Greatly in Last Two Months;
Can Give Sick Excellent
Care Now.

If you were broke and sick you could go to the colony of the Civic Betterment league with the assurance of good quarters and constant care. During the last two months many changes have been made and the place has been put in shape to give excellent care to the sick. It might well be called a hospital now.

One of the main buildings has been remodeled for an infirmary. A new sleeping porch was built to give adequate apartments for the nurse. A bathroom and a large storage closet were built. An old partition was taken out and two rooms made into a ward that will accommodate six sick men. The porch on the west has been screened for a bathing porch.

The west building is now used for the culinary department. A kitchen and a dining room have been newly refurnished. A little frame building on the premises has been entirely renewed on the interior to provide a room for the help. Five tents provide additional quarters for men, giving a capacity of eleven altogether. At present there is only one woman staying in a room at the colony. She has been there for many months and has a comfortable room in the west building.

Chairs and Bedding Needed.

The enlarging of the capacity of the colony has required considerable outlay. But it was necessary if it was to be a real help in the charity work of the league. A few days ago some women of the city, who are interested in the league, gave a bridge party at the country club to raise money to buy beds for the infirmary. Sufficient money was realized for this purpose, and when the beds are installed the infirmary will be fairly well equipped. It has not been possible to wait for the beds, however, as several cases had to be cared for at once and four of the old cots were put up and the men moved in.

The call for bedding in the general work of the league has been so great in the last two months that bedding has been taken from the colony. More will be needed there in a week or so. The league will be glad to hear of anyone who has good, sanitary bedding that he could give to the colony. There is also need of some chairs, both dining room and easy chairs.

Not Only for Tuberculosis.

Many have the impression that the colony is simply a refuge for very sick tuberculous persons. This is not the case. The problem of the help-tuberculous person is the most pressing in local charity work, but there is a constant call to care for the old and sick of other diseases. Out of eleven persons at the colony at present five are not tuberculous. Two are there because of old age. An old man with an infected leg has been cared for for several weeks. Another old man is very sick with general breakdown. A boy of 10, the son of one of the patients, has to be cared for pending arrangements to return him to his home in Ohio. Up to its capacity the colony is serving the indigent sick of the city.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-
ache or have Bladder
trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

CARRY CITY AND COUNTY IS SLOGAN OF THE DEMOCRATS

Chairman Frank Butt and His
Assistants Begin Aggressive
Campaign; to Carry Fight
Into Enemy's Camp.

That the democrats are determined to win in the city of Albuquerque and the county of Bernalillo on November 7 is becoming more apparent as the present political campaign progresses. The democrats have adopted as their campaign slogan, "Carry City and County." Every effort will be made toward this end.

Chairman Frank Butt of the county central committee completed his work of organization yesterday and announced that the democrats are already in the thick of the fight in this part of New Mexico.

The men in active charge of the campaign in this county headed by Chairman Butt are as follows: Secretaries—R. H. Crews and Zeke Chavez; executive committee—O. N. Marren, chairman, D. K. R. Sellers, W. C. Heacock, H. G. Coors, Jr., J. A. Montoya, H. Westerfeld, H. B. Kari.

The central committee follows: Precinct 1, Manuel Trujillo, J. S. Bowers; precinct 2, Eduardo Sanchez, Salvador Jaramillo; precinct 3, Justo Trujillo, Roman Lucero, y Gurule; precinct 4, Ambrosio Zamora, Filomena Sanchez; precinct 5, T. A. Otero, Joaquin Apodaca; precinct 6, Eutimio Montoya, Demetrio Chavez; precinct 7, Jose Rael, Francisco Olguin; precinct 8, E. W. Young, Max Gutierrez; precinct 9, Eduardo Carter, Francis Francier; precinct 11, W. B. Metzger, Francis Duran; precinct 12, Martin Tierney, D. K. R. Sellers; precinct 14, Nicolas Maros; precinct 15, Alvan Gutierrez, E. J. Hall; precinct 22, Daniel Herrera, Candelario Jaramillo; precinct 23, Pilar Trujillo, Teofilo Carmon; precinct 24, A. Fleischer, Edgar Pass; precinct 28, Eduardo Apodaca, Adolfo Gonzalez; precinct 34, Jose Maldonado, Pedro Garcia; precinct 35, Francisco Saez, Roberto Chavez.

Prospects bright. "We have every possible kind of encouragement in this campaign," declared Chairman Butt at the democratic headquarters yesterday. "It is surprising the number of republicans who have voluntarily informed us that they intend to vote for Wilson as against Hughes, for Jones as against Brand, and for Walton as against Hernandez. We are receiving enthusiastic support from unexpected sources and are going to put enough pep into this campaign to make Federal Director Gillenwater forget about politics for the next ten years."

O'LEARY DENIES ANY SECRECY; ALL OPEN TO WORLD

Leader of Hyphenates Says
Demands Made Upon
Hughes Are Proper and
Should Be Complied With.

New York, Oct. 23.—The democratic national committee tonight issued what it termed the "second installment" of charges that a secret agreement exists between Charles E. Hughes, republican presidential candidate, and the American Independence conference, of which Jeremiah O'Leary is one of the heads.

Tonight's statement, the democratic national committee announced, "is based upon the official records of the O'Leary organization," and attempts to show by excerpts from Mr. Hughes' speeches what is alleged to be a compliance with the "demands" said to have been made upon the republican nominee by O'Leary and his associates.

The statement issued tonight by the democratic national committee was read over the telephone to the secretary of Mr. Hughes at Montclair, N. J. Mr. Hughes declared he had nothing to say tonight concerning it.

Jeremiah O'Leary in a statement tonight said in part, in reference to the statement of Sunday.

"Governor Hughes has stated correctly what happened at our interview with him. In order to prevent any possibility of misunderstanding or misrepresentation, we had carefully reduced to writing what we wished to say to Mr. Hughes. Our statement speaks for itself. The man who attempts to find fault with any portion of it, particularly with the question we asked 'whether or not Mr. Hughes would administer the presidency of the United States in accordance with the spirit of the fathers and the whole American people,' is not a true American."

Mr. O'Leary said there was nothing secret about the conference and asked: "Why should there be?" He said the interview was given by request.

ARTISTS' COURSE ADVANCE SALE OF TICKETS GROWING

The advance sale of tickets for the Artists' course of the Fortnightly Music club promises exceedingly well for the success of the undertaking. Although the first concert, by Florence Macbeth, is still nearly a month away.

Miss Macbeth's tour last year was a series of triumphs and her 1916-1917 season promises to be the heaviest she has ever undertaken. Fortunately for Albuquerque, her concert tour, which began October 1, will take her as far as the Pacific coast, where she will have four important appearances under the direction of L. E. Holmer. She must be in Chicago in late November, where she is engaged to sing all the important solo parts with the Chicago Opera company. Thus, by rare good fortune, the Fortnightly was able to secure her to open its series November 15.

Frances Ingram, contralto, is also a member of the Chicago opera company, where she was the sensation of the last season. Two of the members of the Fortnightly heard her in "Gilda" and are highly gratified at the successful arrangement of a date for a concert in Albuquerque. One of the important late announcements.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It
Brings Back Its Beautiful
Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Weyth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens as naturally and evenly. You moisten a sponge or soft brush with it, draw this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Weyth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
